

# Non-Edible Rewards & Celebrations

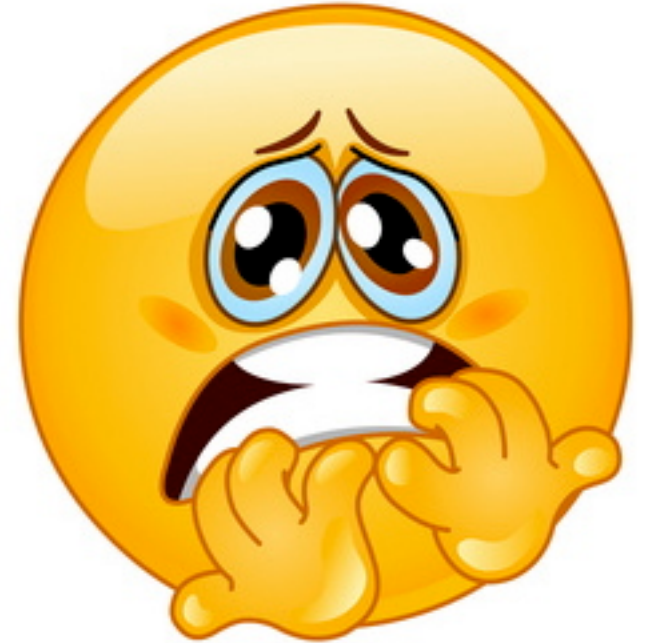

- Student health, wellness, and safety is our top priority.
- This policy was developed in collaboration with teachers, parents, and administrators.
- During the school day, we will be using non-edible rewards for birthdays, class celebrations/parties, and school-wide celebrations.
- The school will be sending home more detailed information.

# What to do when you have a concern...

1. First, start by contacting your child's teacher via phone, note, or email.
2. If you continue to have the same concern, request a parent-teacher conference.
3. Depending on the type of concern, you may want to consult with a school counselor.
4. After communicating with the teacher and/or counselor and you still have concerns, contact an administrator.

*\*In case of a crisis or emergency, please contact your child's teacher and a counselor as well as any other necessary staff members (i.e. school health aide, public health nurse, etc.)*

# School Communication

- **e-Notify** messages are used to communicate directly to parents regarding emergencies or grade level/classroom specific messages.
  - This system was used to send class placement notifications.
  - This system uses the email address listed in our Student Information System. Please be sure they are updated with any changes.
- **News You Choose** bulletins are sent to anyone who signs up to receive information about Terra Centre.
  - These messages include information about upcoming events, opportunities, and other things happening at Terra Centre!
  - Weekly messages are sent out from administration as well as reminder messages when appropriate.
  - Email addresses for families are uploaded from SIS, but parents can unsubscribe from these messages.
  - Visit our school website to subscribe! <https://terracentrees.fcps.edu/>

# Social Media Guidance

- FCPS expects students to be responsible members of society and to display good citizenship at all times when using social media.
- In such activities, students are to respect the rights of others and to refrain from the use of profanity and hurtful messaging.
- Depending upon the specific circumstances, failing to adhere to these standards can lead to consequences under the SR&R.
- Adults should model for and monitor student's social media accounts and messaging.
